50 Years of experience in design and production of heating elements and systems

>8000 Our employees

15 The countries where you can find us

Providing heat solutions in well over 200 different market sectors

ZOPPAS INDUSTRIES Partner

- Experience Zoppas Industries increasing efficiency using lean enterprise across all facilities and departments.
- Access our state-of-the-art laboratory facilities with over 30 years’ design experience.
- Benefit from Zoppas Industries manufacturing and design facilities which maintain Quality Management Systems according to ISO 9001, EN 9100, Environmental Management System according to ISO 14001 and Energy Management System according to ISO 50001.
- Access one of the widest Heating Element Technology product portfolios in the world including completely integrated thermal assemblies with sensors, connectors, enclosures, etc.
- Benefit from Zoppas Industries global presence through design and manufacturing facilities across Europe, North America, South America and Asia - lowering your Total Cost of Ownership (TCO) including reduced logistics, design, communication and support costs.
- Access Zoppas Industries’ in-house design, development and R&D capabilities, such as CAD 3D design, FEA, DOE, FMEA.
- Benefit from Zoppas Industries products third-party certification, such as UL and VDE: marking applied on customer’s request.

We at ZOPPAS INDUSTRIES put you in the front seat of internationalization - sourcing your local needs globally.

Compliance with the mark of each specific product must be properly reviewed with our Sales Department.
Zoppas Industries Group manufactures electric heating elements of the highest quality - ensuring compliance with all of the main International standards regarding quality and safety. We produce a wide range of heating solutions for air conditioning equipment, such as air curtains, air treatment units, chillers, humidifiers, precision systems, widely used in all areas where space heating is required - including offices / factories / schools / hospitals / homes and public transport. Zoppas Industries are a global producer, with manufacturing & design facilities in Europe, Asia and the US - thereby enabling rapid response to our customers specific design / logistics requirements, wherever they are located.
